

Fall 2009

Feb - March 2010

April 2010

Fall 2010

Teacher
Familiarity

Pilot Classroom
“Library of
Possibilities”

Modeling with
Laura and Mary
in Classrooms

Customizing around
classroom interests,
build a lesson, learn
to sync

Creating media and
sharing on the iPod
Touches

- Pulling the iPod Touches back
- Resetting
- Building a list of apps (mothership)
- How are we going to organize this information
- Exemplar lessons
 - small group
 - larger groups
- Management
- Budget

- Identify potential partners
- Aim for one per grade level
- One hour session
- Hit the ground running, hands on
- Reflection (teacher observations and next steps)

- Teacher could get an allowance to help buy apps
- Make a plan

- Students record new narration for Discovery clips
- Teacher could combine the audio clips as a new narration for the film

Audio book centers

Apps

A to Z

Media

Discover Ed Clips - science focus
(interactive activity to go with it)

Have the students take a clip on a specific vocabulary word, then have the kids create their own
